### Jennifer Cox

Mrs. Cox is an amazing musician of high energy and a positive spirit. She is an excellent singer, and has done extensive work with children's choirs ministering along side her husband in their local church and at Bob Jones University

### Jodi Shaleen

Mrs. Shaleen is organizer of the children's chorus ministry. She will be overseeing the Children's Chorus Camp, accompanying the chorus, and working with the tonechimes. We are delighted to have her expertise again this year.

### John & Sharon Weigle

John, Sharon, and family are traveling musical evangelists. They travel with Ron DeGarde Ministries across the United States ministering with message and music to children in local churches. John and Sharon will be ministering to our kids with daily messages, fun activities, and music.

Don't miss this year's exciting children's chorus camp. We have much planned for a wonderful musical experience for each child. **Hurry, registrations need to be in by Wednesday, July 28, 2010.**

# Heritage Children's Chorus

Heritage Baptist Church is proud to announce that it will be hosting a **Children's Chorus Camp** from August 2-6, 2010. All children in K-5 through 5th grades who love to sing and would like to develop their talents are invited to attend. Jennifer Cox and Jodi Shaleen will lead our inspiring Children's Chorus Camp. We are excited about the opportunities this brings to our children in this area of musical training. An early musical foundation is the key to musical progress and success. Each of these instructors are well qualified to advance and train your musical child. The Heritage Band Camp will take place simultaneously and they will be inspired both vocally and instrumentally. We hope you take advantage of this wonderful opportunity as we learn to sing out our song as unto the Lord!
